GROWL ROLLS BACK THE YEARS TO LAND HOBART CUP

First win in nearly three years for son of Montjeu (Ire)

By anyone's standards, Growl has led a colourful life. Bred in New Zealand, the son of European champion Montjeu (Ire) was one-time Caulfield Cup favourite, went to race in Hong Kong, returned to Australia and was tried over jumps but yesterday he won his first race in nearly three years with a big win in the \$400,000 Hobart Cup (Gr 3) over 2200m at Elwick, writes Darryl Sherer.

In what proved a rough race in the early stages, Brad Rawiller kept Growl out of trouble and although he was three wide, he was out of trouble and had crept closer as the field approached the turn for home.

Eased out into clear running room, seven-year-old Growl quickened up in good style to run to the front and then surge clear to eventually score by a widening four lengths. De Fine Lago (Delago Brom) and Dream Pedlar (West Quest) chased hard in the straight but were always only competing for the minor placings.

The race took its toll. Despite being run on a track described as a Dead 4, runners were kicking up dust and the race favourite Rathsallagh and Ista Kareem finished lame, Rathsallagh finishing last of the runners some 35 lengths from the winner.

"We looked at this race for him once he started to show form and we are so pleased we chose this path," said Hayes' stable assistant trainer Garry Fennessey. "He was in good form the first time he went to Hong Kong but he wouldn't go the other (clockwise) way.

"Later we did jump him and he was a very good jumper, but he retained his dash so we didn't go on with that. He's only lightly raced for a horse his age, he should have won last start (when second at Flemington) I thought."

Fennessey said plans now called for Growl to bid for a big race double in the

Sportpix

Launceston Cup. "He'll run two miles this old bugger."

Growl has now won seven of his 32 starts with nine placings and earnings of \$738,822. His yearling half-brother by Darci Brahma was purchased last week at the NZ Bloodstock premier Sale by Team Hawkes for \$NZ400,000.

In the Strutt Stakes, Tio Rossa (Testa Rossa) scored an emphatic win in the \$80,000 Listed event for females.

Ridden with great confidence by Craig Williams, Tio Rossa was always prominent and then finished powerfully in the straight to defeat Tasmanian filly Feerique (Al Maher), last start winner of the Tasmanian 1000 Guineas, with the Patrick Payne-trained Danaupair Starlet (Delago) in third.

It was an impressive win and co-trainer Cindy Alderson said afterwards that it was almost a homecoming victory. "Dad (Colin) was born in Tassie on the North-West Coast so we have always hoped to one day win a decent race here and this filly has enabled us to fulfill that goal."

This was Tio Rossa's first attempt beyond 1600m and there is a thought she will go on to the \$150,000 Tasmanian Oaks in >

NEW STAKESWINNER FOR TESTA ROSSA

Tio Rossa's (3 f Tio Belle (NZ), by Zabeel (NZ)) win in the Strutt Stakes (LR) at Hobart yesterday makes her the 25th stakeswinner for Testa Rossa, who stands at Vinery in the Hunter Valley.

ZABEEL NEARS RECORD

Zabeel is now just four stakeswinners away from the record 130 achieved by his own sire Sir Tristram, with **Zabene (NZ)** (6 g Emerald Dream, by Danehill (USA)) providing the Cambridge Stud stallion with his 126th individual stakeswinner when landing the Dunedin Gold Cup (LR) at Wingatui on Saturday.

23RD STAKESWINNER FOR CHOISIR

Psychologist (2 f Miss Conception, by Danzero) became the 23rd stakeswinner for Choisir with an impressive debut victory in the Blue Diamond Prelude (F) (Gr 3) at Caulfield on Saturday. The Coolmore stallion has now been responsible for five stakes winners in Australia this season.

NEW STAKESWINNER FOR REDOUTE'S CHOICE

The win of **Beneteau** (2 c Slice Of Paradise, by Encosta De Lago) in the Blue Diamond Prelude (CG) (Gr 3) at Caulfield on Saturday makes him the 58th stakeswinner for Arrowfield Stud's champion sire Redoute's Choice.

NEW STAKESWINNER FOR GIANT'S CAUSEWAY

Coolmore's former shuttle stallion Giant's Causeway enjoyed his 75th stakeswinner on Sunday courtesy of **Nadege (NZ)** (5 m Champagne (NZ), by Zabeel (NZ)), who landed the Thoroughbred Breeders' Stakes (LR) at Tauherenikau. Nadege is the 11th southern hemisphere-bred stakeswinner for Giant's Causeway, conceived during his three year stint at Coolmore Australia.

a fortnight, but Alderson said she was more inclined to look at the \$200,000 Myer Classic at Moonee Valley.

"The alternative is to stay at home for the Myer Classic at Moonee Valley where she goes very well," Alderson said. "We'll have a think about both options but we'll have a better idea after we see how she pulls up."

Jockey Craig Williams indicated that he preferred the 1600m Moonee Valley option. "We have to be conscious of the fact that she's only a pony and we don't

want to kill her," Alderson said. "It's for that reason she's been sparingly raced this preparation."

However, Alderson said that another trip across Bass Strait would not be a major problem. "We flew her over last Wednesday and she handled the trip really well," the trainer said.

Alderson's mother bred Tio Rossa, a half sister to The Tiger, winner of the Geelong Classic (Listed) and who contested yesterday's Hobart Cup, where he finished seventh after a chequered run in transit.

Hayes Trio To Gallop At Sandown Park

David Hayes will send three horses to Sandown Park on Wednesday to gallop between races. Changingoftheguard, Our Aqaleem and Eagle Falls will gallop before Race 1 at around 1.05pm.

Changingoftheguard and Our Aqaleem will gallop together as a pair while Eagle Falls will gallop at the same time, just 200-300m or so behind them. Changingoftheguard (Glen Boss) and Our Aqaleem (Steven Arnold) will work over 1600m with Eagle Falls tracking behind them and working over 1000m.

The Australian Cup at Flemington on 6 March is the main autumn aim for Changingoftheguard and Our Aqaleem. The Lindsay Park Racing Stable has indicated that Changingoftheguard will have a lead-up run in the St George Stakes (Gr 2) over 1800m at Caulfield on February 20 while Our Aqaleem will go straight into the Australian Cup without another run.

Changingoftheguard will be having his first run in Australia after being scratched in

controversial circumstances from the 2009 Melbourne Cup when Racing Victoria Ltd vets deemed the former English runner to be lame on the morning of the race.

Eagle Falls (Damien Oliver) will run first-up in the Oakleigh Plate (Gr 1) over 1100m at Caulfield on 20 February.

Geelong Track Update

Racing Victoria Limited has announced that the newly renovated synthetic track at Geelong will be available for training and jump-outs by the end of April 2010, with the first race date on the new surface now expected to be on Friday, 28 May, approximately seven weeks later than originally planned.

RVL Chief Executive Rob Hines said the delay is due to a more extensive rebuild of the track base than was originally anticipated. "When our contractor Pro-Ride removed the existing racing surface it became apparent that the base was not in a good condition. We have decided to renew the base and the drainage layer to ensure that we overcome the drainage issues that have plagued synthetic tracks in other jurisdictions and that we get it absolutely right before returning to racing on the new surface.

"I would like to thank the local Geelong trainers and the Geelong Racing Club for their patience as we strive to build the very best possible synthetic racing track. The race meetings that were to be held on the synthetic track will be transferred to the turf at Geelong or nearby venues," Hines said.

Racing on the Geelong synthetic track was postponed last year when stones appeared in the surface. RVL subsequently appointed Pro-Ride Australia in November 2009 to install and maintain a new surface at the track.

Record Breaking Festival Sale Concludes

Selling at New Zealand Bloodstock's 84th National Yearling Sales concluded at Karaka on Monday, with the final day of the two-day Festival session rounding off an extremely successful Sales Series.

Three times on Monday the Festival Sale's previous record price was surpassed, with the new record set by Lot 1397, bought for \$NZ110,000 by New Zealand Bloodstock as agent for Cambridge clients.

The Elusive City (USA) colt offered by Haunui Farm is from the Sir Tristram mare Wishing Belle. Prior to this week, the previous Festival record was \$NZ80,000 in 2008.

A few lots later another lot came close, when the King's Chapel colt at Lot 1418 was knocked down for \$NZ100,000 to Auckland bloodstock agent, Robt Dawe. Offered by Mark & Sarah Devcich's Henley Park in Cambridge, the colt was from the winning Volksraad (GB) mare, Alleyrun.

The third six-figure yearling came at Lot 1520, when another Elusive City colt was knocked down for \$NZ100,000, this time to Queensland-based International Bloodstock Consultants. With just three yearlings in the Sale, this gave Kirkwall Thoroughbreds the honour of leading vendor by average on \$NZ39,667.

Following the trend of the entire week, the final Festival Sale figures sailed past last year's results, with the session turnover of \$NZ4,915,600 up 10 per cent with six fewer lots in the Sale.

The session average was up 25 per cent on last year's \$NZ11,997, with the session median matching last year's \$NZ10,000. With the final few hours showing the first signs of a lull in the market, the clearance rate settled at 71 per cent for the two days' trade.

The predominantly local buying bench was headed by the O'Sullivan's Wexford Stables, with trainer Andrew Scott prominent throughout the past two days to end up with ten Festival yearlings for \$NZ322,500. Wexford's top price of the session was \$NZ60,000 paid for the Strada colt at Lot 1299. This brings Wexford's tally of purchases to 11 for the week.

Also active was Hong Kong based Justin Bahen, with six Festival yearlings adding to his total for the week of 15 bought for \$NZ986,500.

With two six-figure yearlings it was no surprise to see Haunui Stud sire, Elusive City, top the tables with 12 of 18 entries sold for an average of \$NZ43,583. He was followed by Paxton Park's Shinko King with \$NZ35,786.

Elusive City's results also contributed to Haunui Farm taking top honours as the leading Festival Sale vendor by aggregate, selling 16 for \$NZ496,000.

Right behind them was Hallmark Stud with a 100 per cent clearance rate, selling their seven entries for \$NZ195,000.

VETERINARY FEATURE

How Common Are Wobblers?

Cervical vertebral stenotic myelopathy (CVSM) is an important disease of Thoroughbred horses in which compression of the spinal cord in the neck leads to in-coordinated gait. Affected horses are often described as “wobblers.”

Two types of the condition have been recognised. In the first type (dynamic stenosis), compression occurs only when the horse flexes or extends the neck. It is caused by malformation of the vertebrae and tends to affect the third and fourth (C3-C4) or fourth and fifth (C4-C5) cervical vertebrae. This type is more commonly seen in younger animals (yearlings).

In the second type, (static stenosis) the spinal cord is compressed by proliferative bone resulting from osteoarthritis. This form occurs most commonly between C5-C6 and C6-C7, and is seen in older animals.

But how common is CVSM? Research published recently in the *Veterinary Record*, looked at the prevalence of the condition.

The study, from the University of Glasgow, was based on records from four breeding establishments - three European Thoroughbred stud farms (936 foals) and one farm in USA (353 foals) - over a 7 year period.

During that time there were 13 cases of Type 1 CVSM, (dynamic stenosis); 5 horses with Type 2 CVSM (static stenosis) and 5 horses in which the Type could not be determined. Overall, 1.3% of the animals were found to be affected.

The average age at which signs of the condition became apparent differed. Horses affected with dynamic stenosis were noticed at a younger age than were those with static stenosis. Type 1 (dynamic stenosis) was diagnosed typically in yearlings (Mean 433days old - about 1y 2 months.)

Horses affected with the stenotic compression were diagnosed later - (mean 1188d -about 3years 3 months)

The researchers also found that male horses were significantly more likely to be affected (17 male to 6 female), which agreed with previous studies.

“CVSM is an important disease of Thoroughbred horses and leads to wastage in the thoroughbred industry through the inability to race and the loss of affected horses” the report’s authors conclude.

They suggest that “further investigations of the prevalence of CVSM in populations of thoroughbreds and other breeds and determination of risk factors for the disease are warranted.”

Analysis: **Growl** was simply too good on a track that was rated Dead but raced firmer with Rathsallagh and Ista Kareem returning lame. **Growl** raced midfield to halfway and then crept closer approaching the home turn. In clear running room, **Growl** sprinted to the lead and then went clear, staying on strongly to score a big win. **De Fine Lago** was worse than midfield early but he was tracking up behind **Growl** into the straight along with **Dream Pedlar**. Both ran on really well to make up several lengths in the straight. **Larry's Never Late** enjoyed a nice run in transit, fifth on the fence to the turn in. he tried hard in the straight without ever looking like winning.

Also ran: Uma Love (AUS), Flotercher (AUS), Money Angel (AUS), Build A Bridge (AUS), Fine Dimple (AUS), Seripak (AUS), Childhood Dreams (AUS), Cool Illusion (AUS), Our Lady Of Light (AUS) & Love The Moment (AUS), last.

Analysis: The Melbourne form looked superior beforehand and so it proved, **Tio Rossa** coming home clear in the straight after racing near the lead to the home turn. **Feerique** was game. The Tasmanian 1000 Guineas winner was always prominent and she ran to the lead early in the straight. She stayed on gamely but had no answer to the final surge of Tio Rossa. **Danaupair Scarlet** was always handy and ran on well in the straight.

Analysis: **Royal Ida** is racing well and his class told here desite racing three wide the whole way and then having to come wider again in the straight to make his challenge. The nine-year-old quickened up into the straight to run to the lead and he was too strong for his rivals at the finish. Conquering led at a steady clip and stayed on gamely in the straight.
