STRATUM FILLY TOPS OPENING DAY OF ADELAIDE MAGIC MILLIONS

Average up 36 per cent on last year's level

The positive trends from yearling sales in Australia and New Zealand continued with a solid day of trade at the Magic Million Yearling Sale in Adelaide yesterday. 131 lots sold, grossing over \$3.6 million with the average of \$27,500 - 36 per cent up on last year's final sale average of \$20,102, writes Darryl Sherer. The all-important clearance rate is a cause for concern however, coming in at 73 per cent.

The first lot in the ring sold for \$65,000 and the solid trend continued. The top-price of the opening session was a lovely filly by Stratum, consigned by Magic Millions principal Gerry Harvey's Baramul Stud. Catalogued as lot number 131, the filly is a half-sister to the South African Group performer Fearless Gun, their dam Show No Restraint a winning Baratheia (Ire) half-sister to Listed winner and NZ Oaks-placed Slanchyvah, the dam of Group 2 winner Dreamworks.

This is also the immediate family of Group winners Grey Song and Tonz More Fun, and the August 21 foal was eventually purchased by young Morphettville trainer

Lloyd Kennewell for \$150,000.

It is the second year in a row that a Baramul Stud filly has topped the Adelaide Sale, with a daughter of Testa Rossa bringing the top price last year at \$115,000.

Flanked by his father and fellow trainer Gary, Kennewell said the daughter of Golden Slipper winner Stratum (pictured) was his "must buy" lot of the sale.

"She was the best horse in the sale," Kennewell said. "And she's got a good pedigree. I thought she was the sale topper and knew she would be popular," he added.

"She's a good mover. I thought she was a super athlete - she has plenty going for her." >

ROSEHILL TESTING

Racing NSW Stewards and Veterinarians on Tuesday morning took samples from over 30 horses at Rosehill Gardens training centre with an emphasis on autumn carnival entrants. The samples have been submitted to the Australian Racing Forensic Laboratory for "out of competition" analysis.

NIKOLIC APPEAL DATE SET

A resumed Victorian Racing Appeals and Disciplinary Board (RAD) hearing and the handing down of the decision in the matter of Danny Nikolic will take place at 2.00pm on Tuesday, 16 March.

ALL SILENT TO DUBAI

Grahame Begg has confirmed that his Group 1 winning sprinter All Silent will be heading to Dubai to contest the Al Quoz Stakes (Gr 3), a US\$1 million event run on grass over a straight 1200m on Dubai World Cup night, March 27.

DETTORI ON BEAUTY FLASH

Champion jockey Frankie Dettori will replace Christophe Soumillon aboard Beauty Flash (Golan) in Sunday's HK Derby. Soumillon was suspended last Friday in Dubai for a whip offence.

WITNESS NOMINATED FOR SATURDAY

Blue Diamond Stakes winner Star Witness (Starcraft) has been nominated for Festival Of Racing Stakes (Listed) at Flemington on Saturday. Star Witness was originally to be spelled after his Blue Diamond victory but has now entered Golden Slipper calculations being quoted in pre-post betting markets.

CHARLEVILLE RE-SCHEDULED

Due to the recent flooding of Charleville, the Central Warrego Race Club meeting scheduled for Saturday, March 13 has been postponed until Saturday, March 27.

NEW STAKESWINNER FOR EXCEED AND EXCEL

Koala Bear (2 f Lucky Mascot (NZ), by Zabeel (NZ)) became the 22nd stakeswinner for Exceed And Excel when winning the Cinderella Stakes (LR) at Morphettville on Monday. The filly is the 3rd stakeswinner for Exceed And Excel this season, and is the 27th southern hemisphere stakes performer for the Darley sire to date.

FIRST STAKESWINNER FOR FOREPLAY

Decision Time's (2 g Daunting Thought, by Just Awesome) victory in the Black Opal Stakes (LR) at Canberra on Sunday marks him the first stakeswinner for first season sire Foreplay, who retired to Yarraman Park Stud but had his stud career prematurely curtailed after suffering fertility trouble.

NEW STAKESWINNERS FOR LONHRO

Lonhro enjoyed two new stakeswinners at the weekend, with **Sainthood's** (4 g Bonne Famille, by Anabaa (USA)) victory in the Tradies National Sprint (LR) at Canberra on Sunday preceded by the win of **Dissolved** (3 c Yarralumia, by Grand Lodge (USA)) in the Moomba Plate (LR) at Flemington a day earlier. The young Darley stallion has been responsible for nine stakeswinners so far this season and 12 in total.

NEW GROUP 1 WINNER FOR FASTNET ROCK

Wanted (3 c Fragmentation, by Snippets) became the second Group 1 winner for second season sire Fastnet Rock when taking the Newmarket Handicap at Flemington on Saturday. The Coolmore sire is currently the leading second season sire by earnings, with Wanted his 7th individual stakeswinner this season and his 8th overall.

NEW STAKESWINNER FOR CHARGE FORWARD

Arrowfield's second crop sire Charge Forward enjoyed his 3rd stakeswinner on Saturday when **Solar Charged** (2 f Soul Singer, by Danehill (USA)) landed the Kindergarten Stakes (Gr 3) at Warwick Farm.

FIRST STAKESWINNER FOR WAY WEST

The former Australian-trained sprinter Way West posted his first stakeswinner when **Waywest Goddess (SAf)** (2 f Gallic Goddess (SAf), by Gallic League (GB)) won the Ruffian Stakes (LR) at Vaal on Saturday. The son of Danehill was trained by David Hayes to win the Blue Diamond Prelude (CG) (Gr 3) in 2004 and now stands at Summerhill Stud, South Africa.

The joint second highest price on the day, and the most expensive colt, was consigned by Inman Valley Stud in the shape of a racey looking Bel Esprit half-brother to the Auraria Stakes (Gr 3) and VRC St Leger winner Moment In Time that sold to Peter and Shery Sutcliffe for \$100,000.

The same price was paid for the very next lot into the ring, a Choisir filly, consigned by Balcrest Stud. The chestnut is a three-quarter sister to the good Queensland runner Go Cart, three-times a Listed winner including the Peter Gallagher Stakes.

Jamie Walter is a shrewd judge of yearlings and he signed under his Proven Thoroughbreds banner for the October foal.

Magic Millions Managing Director David Chester expressed himself happy with the results. "We had some lovely yearlings early in the session and they were well received by buyers," he said.

"As a whole the selling got stronger and the clearance rate lifted as the sale got into the swing of things later in the afternoon.

"It was great to see the average rise so well and the clearance hold from last year's figures," Chester added. "We have some really lovely prospects to go under the hammer during the Session Two sale tomorrow."

Selling today at the Morphettville Complex will commence at 11am (SA time).

RACING NEWS

Tuesday Hobart Meeting Lost

The race meeting scheduled for Tattersall's Park in Hobart yesterday had to be abandoned due to both grass tracks being declared by stewards to be unsafe for racing. The meeting was to be held on the Derwent track (inside grass) but concerns by trainers and jockeys over a loose and shifting surface between the 1500m and 800m was subsequently inspected and deemed unsafe by stewards.

A decision was then made to transfer the meeting to the course proper (Elwick track) but as this surface has been undergoing a re-seeding program there was a section near the 500m mark and a 100m stretch near the home turn that had inadequate grass cover and was extremely firm under foot.

Chief Steward Wade Hadley consulted with 16 jockeys and a handful of trainers before declaring the course proper also unsafe for racing.

The eight-race meeting was subsequently abandoned with some races added to next Sunday's program at Tattersall's Park.

Tatts Cup Re-Scheduled

Queensland Racing Limited (QRL) is pleased to announce that the Australian Pattern Committee has approved the movement of the \$75,000 Tattersall's Member's Cup (Listed) over 1600m to the Eagle Farm meeting on Saturday, March 20. This race was originally scheduled for last Saturday, March 6 at the abandoned Eagle Farm Tattersall's Racing Club meeting which was called off due to significant rainfall and the state of the track. >

The Tattersall's Member's Cup (Listed) will replace the originally programmed \$50,000 Open Handicap 1600m on the Eagle Farm race card.

Griffon Examination

Racing NSW stewards report that Griffon was a late withdrawal from the Warwick Farm race meeting on Saturday 6 March when an endoscopic examination revealed mild respiratory discharge after the horse coughed during morning exercise.

Stable representative James Cummings today reported to Stewards that Griffon worked well over 1000m on Monday, 8 March, at Royal Randwick training centre and a veterinary clearance was issued by Dr C. O'Sullivan of Randwick Equine Centre subsequent to the gallop.

Griffon holds an engagement in Race 2 at the Canterbury race meeting on Wednesday, 10 March, and will be the subject of an examination by a Racing NSW Veterinarian upon arrival on course.

VETERINARY FEATURE

New Equine Respiratory Condition Identified

Researchers in Denmark have identified a new cause of respiratory disease in horses. They found the bacterium *Stenotrophomonas maltophilia* in samples collected from horses with chronic lower airway disease.

Stenotrophomonas maltophilia, a Gram-negative bacterium, has been found increasingly in human medicine, especially in patients with impaired immune systems. Until recently the organism has been recorded only rarely in animals.

According to the researchers, "this pathogen has not previously been associated with lower airway disease in the horse."

In a paper to be published in the *Veterinary Journal*, Lotte Winther, a PhD student in the Department of Large Animal Sciences at the University of Copenhagen, and colleagues present data from seven horses with respiratory disease associated with *S. maltophilia* infection. The horses were treated at three equine referral hospitals in Denmark in 2007.

The report documents the clinical findings, laboratory diagnosis and response to treatment.

All cases had a history of chronic coughing. Endoscopic examination revealed copious mucopurulent exudate in the lower trachea. Culture of the tracheal exudate produced grey, slow-growing colonies, which were identified as *S. maltophilia* by both culture and DNA testing.

All isolates had a similar antibiotic susceptibility pattern. They were resistant to many antibiotics used to treat respiratory infections in horses, including all penicillins, cephalosporins, aminoglycosides and rifampicin.

"The results from susceptibility testing and clinical response to treatment suggest prolonged administration of tetracyclines (greater than 10 to 14 days) is an effective treatment, especially for adult horses," advise the researchers.

The findings suggest that *S. maltophilia* can act as a respiratory pathogen. The researchers advise that the organism be included in the differential diagnosis of horses with respiratory disease associated with copious mucopurulent exudate.

They stress that many antibiotics commonly used to treat equine respiratory infections are not effective against *S. maltophilia*.

For more details see:

Association of Stenotrophomonas maltophilia infection with lower airway disease in the horse: A retrospective case series.

Easter Mares Catalogue Out

The catalogue for the 2010 Inglis Australian Easter Broodmare Sale has now been released and boasts 83 stakeswinners, of which 11 have won Group 1 races. It also includes a significant 446 half or full relations to stakeswinners, including 121 Group 1 winners.

The sale will be held at Newmarket from April 13 to 16 and

comprises 948 mares, and since cataloguing there have already been a number of important updates.

Charge Forward filly Solar Charged galloped her way to Golden Slipper favouritism with a dominant display to win the Kindergarten Stakes (Gr 3) at Warwick Farm on Saturday.

No less than three mares in the Easter catalogue are beneficiaries of the John O'Shea trained filly's rise to stardom. >

Lot 446 is Solar Charged's dam, the Danehill mare Soul Singer to be offered by Vinery Stud. Significantly, she is in foal to Charge Forward, thus carrying a full-relation to the Slipper favourite.

Lot 447 is Soulful, an Octagonal half-sister to Soul Singer, to be offered by Amarina Farm in foal to young Coolmore stallion Aussie Rules. Lot 590 is Causeway Queen, a Giant's Causeway (USA) dual stakes winning half-sister to Solar Charged.

Majestic Music added a fifth stakes victory when winning the Yallambee Stakes (Gr 2) on Monday. Lot 125 is Tobouggie Woogie, a Tobougg half-sister to Majestic Music who is being sold as a racing and breeding proposition, as part of Toorak Park Stud's unreserved dispersal sale.

Monday's Adelaide Cup winner Capecover has two half-sisters for sale including Lot 496, the Group 1 Auckland Cup winner Upsethym (by Rhythm) selling in foal to the Golden Slipper winner Sebring. Lot 848 is the unraced Traditionally mare Miss Dodds, who will be offered in the general session.

Dubai Horses-In-Training Sale

The 2010 Emirates Racing Authority (ERA) Horses in Training Sale at Meydan Racecourse on March 10 has received in excess of 80 entries, with several Dubai International Racing Carnival performers among them.

Interest should be high in a draft of horses from South African Mike De Kock. Among the interesting horses are on offer will be Silver Mist, winner of the Al Rashidiya (Gr 3) in 2009.

Trainer Doug Watson has the largest local draft and Erwan Charpy has some highly-rated horses among his entries including Blackcat Blackkitten, who was second in the Burj Nahaar in 2008.

"There is a nice balance among the horses on offer and plenty to appeal to the domestic market, as well as Carnival-rated horses to appeal to all," ERA Steward Gerard Bush said.
