Love Tap aiming to bring up Tapit's first Australian Group 1 success

Gary West-bred three-year-old well fancied to retain unbeaten record in Spring Champion Stakes

BY TOMMY CHURCHYARD
AND ANDREW HAWKINS

The last time breeder Gary West had a three-year-old unbeaten from four starts heading into a top-level 10-furlong feature, the contest produced as controversial a result as the racing world has seen in the modern era.

West, with his wife Mary, is the breeder and owner of Maximum Security (New Year's Day),

who carried their pink and black colours to a tenacious victory in the Kentucky Derby (Gr 1, 10f) last year. That is, until he was disqualified for shifting ground and relegated to 17th.

"What should have been the fastest two minutes in sports turned into over a year of litigation," a United States federal appeals court wrote in August, upholding the Derby disqualification and seemingly bringing an end to countless endeavours to overturn the result.

Given Australia's Category 1 protest rules are more straightforward than the confusing American Category 2 guidelines, hopefully today's two-minute feature at Randwick, the Spring Champion Stakes (Gr 1, 2000m), is far more clear-cut as the West-bred Love Tap (Tapit), a winner of all four of his starts to date, aims to add a first Group 1 win to his record.

Last night, the Richard and Michael Freedman-trained grey was the \$3.40 equal favourite for the Spring Champion Stakes alongside last weekend's Flight Stakes (Gr 1, 1600m) winner Montefilia (Kermadec).

A victory to Love Tap would also represent a new milestone for Gainesway Farm's Tapit, coming weeks after providing the three-time North American leading sire with his first Australian Group victory.

While Tapit has produced 26 Grade 1 winners in the United States, including top-liners like Frosted, Untapable, Tonalist, Unique Bella, Constitution, Creator and Tapwrit, as well as Japanese Group 1 victor Testa Matta, he is yet to have the same success in the southern hemisphere from limited runners.

Tapit has had 19 individual runners in Australia with ten of them winners, while Secretariat Stakes (Gr 1, 10f) runner-up Closing Bell, Japanese Listed placegetter Tap That and Monmouth black-type winner Noisy Feet also raced down under without success.

"We certainly know of all his accolades here in America, he's just had his 26th and 27th Grade 1 winner over the weekend," said Sean Tugel, director of stallion sales & recruitment at Gainesway. "He's still one of the most dominant sires in America, he's a sire of sires now and his stallions are taking off here, but he's had a Grade 1 winner in Japan and for him to have another Grade 1 winner on another continent would just be an additional feather in his cap."

WE WOULD LOVE TO HAVE A HORSE THAT CAN TOUCH EVERY CONTINENT. IT'S NOT ALWAYS ACHIEVABLE, BUT TAPIT IS SUCH AN ESTABLISHED HORSE AND HE IS NOW REACHING AUSTRALIA

- SEAN TUGEL

"We would love to have a horse that can touch every continent. It's not always achievable, but Tapit is such an established horse and he is now reaching Australia where there is such a high demand on precocity and he's had a great record with two-year-olds."

"He puts the class and the will to win into horses and he's starting to click with some of that precocity that is down in Australia and hopefully, if they

found the right match for him, we can get some more Grade 1 winners down under."

Tugel believes that Tapit's success as a sire of sires in the United States is what separates him from some of the other leading sires in the world.

"What really separates the generational sires, the likes of Mr Prospector, A.P. Indy and now Tapit, is being able to produce high level sons who are going to take over from them," he said.

"We have got Constitution who is one of the most exciting horses in America and he had Tiz The Law this year in his first crop. You've also got Frosted who is one of the best sires of Tapit's crop with his first two year olds."

While Tapit has established a recent reputation as a sire of sires in the United States, through Frosted, Tapit saw a son of his kick off his Australian career with a first stakes winner from his very first runner as Ingratiating won the Maribyrnong Trial Stakes (Listed, 1000m) last weekend.

Although Love Tap - as a gelding - will not follow in their footsteps to the stallion barn, he could aim to create history of his own. Should he perform to expectations today, managing owner and syndicator Dean Watt and the Freedmans have flagged the possibility that the grey will aim to become the first three-year-old gelding to take the Cox Plate (Gr 1, 2040m) as the championship event celebrates its centenary.

"The reality is Love Tap's the most promising horse I've had," Dynamic Syndication's Watt told News Corp's Ray Thomas. "He goes to the Spring Champion Stakes and if he wins, he will get an invite to the Cox Plate and then we will look at the Victoria Derby. I'm following the same path as we did with Savabeel and I promise you Love Tap is a better horse.

"I've never won a Derby and we purchased this horse to try and win one," he said. "Spring or autumn, it doesn't matter, I'm super keen to win a Derby, that is something missing on my bucket list."

If Love Tap does make it to the Victoria Derby (Gr 1, 2500m), it will mean that West - as a breeder - will be represented at two of the world's biggest meetings on either side of the planet in the same week.

In addition to the Melbourne Cup Carnival, West will be represented at the

Breeders' Cup with Love Tap's half-sister Fighting Mad (New Year's Day) - winner of the Clement L Hirsch Stakes (Gr 1, 8.5f) in August - in the Breeders' Cup Distaff (Gr 1, 9f), while Maximum Security, now owned by the Wests in partnership with Coolmore, is due to step out in the Breeders' Cup Classic (Gr 1, 10f).

Love Tap does not carry the West's pink and black colours that were donned by Maximum Security during his three-year-old season, instead sporting the Dynamic Syndications white and red, who secured the grey from Coolmore's draft at the 2019 Magic Millions Gold Coast Yearling Sale for \$110,000.

While West does not own Love Tap, it was his brainchild to put Smokey's Love (Forestry) - a mare his racing manager Ben Glass purchased for USD\$67,000 (approx. AUD\$93,350) at the 2014 Keeneland January All-Ages Sale - in foal to champion American stallion Tapit (Pulpit) to southern hemisphere time before sending her to Australia in April, 2017.

Unfortunately, Smokey's Love slipped to American Pharoah (Pioneerof The Nile) in 2017, while her 2018 covering to the Triple Crown winner produced a colt who was destroyed six days after birth. She was sent back to the US in February.

Cable Bay colt shines at Magic Millions breeze-ups

A colt from the first crop of Woodside Park Stud's Cable Bay (Invincible Spirit) produced the fastest of 42 breeze-ups at Seymour yesterday as the first lots for the Magic Millions Gold Coast Two-Year-Olds in Training Sale completed their hit-outs. The Nolen Racing-prepared colt, out of Bunratty Miss (Myboycharlie) and from the family of Crowned Glory (Danehill) and her sons Hallowed Crown (Street Sense) and Needs Further (Encosta De Lago), recorded a time of 10.41 seconds. He is catalogued as Lot 116. "It was a successful breeze up session at Seymour," Magic Millions Victorian bloodstock consultant Tim Brown said. "We thank the team at Seymour Racing Club for hosting this important event again. The track came up remarkably well after recent heavy rain and considering the head wind at the track today the youngsters really did impress. So many outstanding horses have emerged from the Seymour breeze-ups over the years and I'm confident there are more future stars to come from the 2020 line-up."

Callsign Mav headlines Inglis Digital Sale

A 36 per cent share in recent Tarzino Trophy (Gr 1, 1400m) winner Callsign Mav (Atlante) will be offered for sale over the next week through the Inglis Digital October (Early) Sale. Callsign Mav, who has emerged as one of New Zealand's leading horses this spring, is entered for the \$7.5 million Golden Eagle (1500m) but is unlikely to race again during the spring and instead step out again during the summer. Bidding commenced yesterday. To view the entire catalogue, [click here](#).

King's Legacy to bolster stallion credentials

King's Legacy (Redoute's Choice) will be aiming to enhance his prospects as a stallion in the Caulfield Guineas (Gr 1, 1600m) today. The three-year-old was bought by bloodstock manager James Harron for \$1.4 million as a yearling and has so far rewarded his owners with Group 1 victories in the Sires' Produce Stakes (Gr 1, 1400m) and Champagne Stakes (Gr 1, 1600m). "We had to be very strong on him in the ring but he was the one we wanted to take home and fortunately it has turned out the right way," Harron said. King's Legacy has already secured his future at stud with Coolmore purchasing a stake after his win in the Sires' Produce Stakes. "He's the only son of Redoute's Choice (Danehill) to have two Group 1s on his CV as a two-year-old colt. Coolmore invested into him between the Sires' and Champagne and we got to share the Champagne one together. Hopefully we can share the Guineas one as well. I think he is really primed for the mile. We've got a slightly tricky draw (12), which isn't ideal but Hugh Bowman has gone down to ride him and he knows the horse inside out."

Mo'unga aiming for plaudits

Mo'unga (Savabeel) will be aiming to make his mark in elite-level company for the first time when lining up in the Caulfield Guineas today. Mo'unga's famous rugby-playing namesake, All Black Richie Mo'unga, is a listed owner in the colt and Aquis Farm's Shane McGrath is hoping he can do the name justice. "He's got a great presence and a real physique about him." McGrath told Racing.com. "He was a November foal, which was the same time Richie came into the All Blacks team, and Dan Carter, who was

another All Black, was part of the team who raced the mother. It was a nice fit and hopefully he can do the name justice." A proportion of Mo'unga's prize money will be contributed to the Child Cancer Foundation in New Zealand, a charity that is close to Richie Mo'unga's heart. "The horse was getting a cult following in New Zealand. I spoke to the owners (of Aquis), which is primarily Mr Fung and a couple of friends in Hong Kong, and we're going to donate a percentage of his winning prizemoney for each of his races going forward to the Child Cancer Foundation in New Zealand," said McGrath, who is hopeful of a strong performance from the three-year-old at Caulfield. "Chris Waller has got a great record with taking these Sydney colts to Caulfield."

Thermosphere on song for Guineas

James Cummings had little hesitation backing Thermosphere (Exosphere) up a week after winning the Edward Manifold Stakes (Gr 2, 1600m) and believes the filly will benefit from racing anti-clockwise for the second time in the Thousand Guineas (Gr 1, 1600m) today. "She has been marching around the stables this week like she owns the place," Cummings said. "It was encouraging how well she handled her first time going in this direction in the Manifold, also switching onto her Melbourne leg was no problem for her," Cummings said. At Flemington last week, the three-year-old started from barrier 11 and was trapped wide throughout but Cummings believes she will get a much more economical run from barrier two on Saturday and the conditions should not be a problem. "She handles a wet track, we couldn't be much happier," Cummings said.

Headgear key for Agreeable

Sam Freedman is hoping blinkers will catapult Agreeable (Sebring) to elite-level success in the Thousand Guineas today. The filly arrives back at Caulfield on the back of a sixth-placed finish in the Jim Moloney Stakes (Listed, 1400m) and Freedman will be happy if the \$34 chance finishes in the places. "She gets the blinkers on for the first time, she hasn't drawn a great gate [14], which is going to force us to ride her quiet, which is generally the pattern with her anyway," Freedman told Racing.com. "Her work Monday morning was excellent in blinkers. Probably a lot sharper than she has worked previously. She could run a cheeky little race on Saturday. She seemed sharp in the blinkers, she will improve out to the mile. However, it's obviously a very competitive race and we'd be happy if she can finish in the first four or five."

Cummings confident in Cascadian

James Cummings is hopeful of a big run from Cascadian (New Approach) in the Toorak Handicap (Gr 1, 1600m), with the trainer confident the horse is ready to win. Cummings said Cascadian did not have any luck when finishing 11th in the Sir Rupert Clarke Stakes (Gr 1, 1400m), having been held up for a run for most of the straight. "He's fresh, he's feeling good and he's up to 1600 metres for the first time this campaign," Cummings said. "If there was any concern it could be that he's weighted right up to his best, but we have faith in him. It's looking like this could be a case of the tectonic plates moving into the right position for a horse whose preparation has been faultless."

Brunton: Toorak won't soothe Hellova blow

Even if Mandela Effect (Turffontein) wins the Toorak Handicap today, it will provide little consolation for Scott Brunton after the loss of stable star Hellova Street (Helike) late last week, who succumbed to a twisted bowel and was humanely euthanased. "I trained five winners at Hobart last Sunday and someone said that would have softened the blow. It couldn't. Even a Toorak would be the same," Brunton said. "The horse commanded attention and respect. He was twice Tassie Horse Of the Year and he

won 20 races and was placed 25 times from 59 starts. I loved the horse." Brunton is confident Mandela Effect can improve from his ninth-placed finish in the Sir Rupert Clarke Stakes (Gr 1, 1400m) last month. "I thought he went great. It was his first time in blinkers and he was just starting to warm up when he was held up for most of the straight," Brunton said. "He loves a mile and he also loves Caulfield where he has defeated Streets Of Avalon (Magnus)."

Dancer to atone for Smile

Anthony Cummings tends to opt for the bolder options when placing his horses, however just over a decade ago he opted to forgo a crack at the Blue Diamond Stakes (Gr 1, 1200m) for Danehill Smile (Danehill Dancer), who had won a Canonbury Stakes (Gr 3, 1100m), in favour of a longer-term view, but it backfired. "I took the conservative approach. I don't do it often, but I did it with her," Cummings said. "We elected to give her ten days in the paddock and when she came back she had three fractured vertebrae. I try not to be (conservative) now." Cummings saddles up her son, Street Dancer (Pride Of Dubai), in the Spring Champion Stakes (Gr 1, 2000m) today, who he feels has a solid chance after finishing runner-up to Love Tap (Tapit) in the Gloaming Stakes (Gr 3, 1800m) last month. "Saturday won't be his grand final, it will probably be in Melbourne in the Derby (Gr 1, 2500m)," Cummings said. "He will run very well on Saturday but clearly his winning prospects are dented by the barrier [15]."

O'Shea pair on song for Angst

John O'Shea has a strong hand in today's Angst Stakes (Gr 3, 1600m) with Tibbie Stakes (Gr 3, 1400m) winner All Saints' Eve (Sacred Falls) and Rocha Clock (Pierro), who is undefeated second up. O'Shea's only concern on Saturday is All Saints' Eve's wide gate (15). "She is a quality mare. Macca [James McDonald] will just have to do a bit of work there from the draw," O'Shea said. "Rocha Clock has got a very good second up record and she looks to map very well from that draw (eight)," O'Shea said. "She ran home in 33.4 (seconds) last start and couldn't make any ground on them. She's going along well." Both mares are still in contention for the \$7.5 million Golden Eagle later

this month but O'Shea is favouring taking Rocha Clock to Melbourne. "Probably All Saints Eve is more a chance than Rocha to go to the Golden Eagle, depending on what happens Saturday," O'Shea said. "I don't know if Rosehill suits Rocha. She might be better at Flemington or somewhere like that."

Change of plans for Widdup

The Brad Widdup-trained pair of Icebath (Sacred Falls) and Akari (Snitzel) will avoid the Angst Stakes after both were drawn wide. Icebath will tackle the \$500,000 Silver Eagle (1300m) and Akari the Drinkwise Handicap (1400m) at Randwick. "We were looking at the Angst then she [Icebath] drew ordinary so we decided to have a crack at the Silver Eagle," Widdup said. "We've got the blinkers back on and hopefully we can have her a bit closer. I'm not getting too carried away as she is up in grade and back in distance but she's run a couple of good seconds which could possibly have been wins." Widdup is also pleased with the way Akari has been going about her work despite kicking off her spring with two unplaced runs at Rosehill. "It might not look good on paper but her two runs have been really good and I'd love to see her bounce back," Widdup said. "There's a bit of quality in the race but I'd like to think she can finish in the top three."

Queensland Cup suitable for Sir Barnabus

Jason Edwards is confident Sir Barnabus (Rothesay) can bounce back from his ninth-placed Toowoomba Cup (2000m) finish in the Queensland Cup (Listed, 2200m) today. "I know he was disappointing the other day in the Toowoomba Cup but we're just going to put that down to the track," Edwards said. "Some horses don't appreciate racing there and he had an off day. We're all entitled to an off day so hopefully he can bounce back. Physically he's fitter and stronger than we've ever had him. If there is a negative it's that he's been in work since February." Four of Sir Barnabus' nine wins have been at the 2200 metre trip which Edwards believes is another factor in his favour. "The 2200 metres is where he comes into his own and is at his best," he said. Edwards has also removed blinkers from Sir Barnabus.

Irish horses clear of zilpaterol

Anthony Van Dyck

RACING POST

Aidan and Joseph O'Brien's ten visiting horses have been cleared to run in the Melbourne Spring Carnival after all tested negative to Zilpaterol. Both were forced to scratch runners in Europe last weekend, including Aidan's four chances in the Prix de l'Arc de Triomphe (Gr 1, 2400m), after they tested positive to banned substance Zilpaterol, which is suspected to have come from contaminated feed. "Racing Victoria (RV) Stewards have been advised by Racing Analytical Services Limited (RASL) that Zilpaterol was not detected in the out of competition samples obtained from the international visiting horses from the Aidan and Joseph O'Brien stables on Monday, 9 October 2020," Racing Victoria announced yesterday. "The six horses from the Aidan O'Brien stable who tested free of Zilpaterol were Anthony Van Dyck, Armory, Magic Wand, Tiger Moth, Santiago and Wichita. The four horses from the Joseph O'Brien stable who tested free of Zilpaterol were Buckhurst, Master Of Reality, Pondus and Twilight Payment."

Hamilton Cup rescheduled

The Hamilton Cup meeting has been moved to Wednesday after heavy rain meant the surface was too wet to conduct the meeting today. It will now be run alongside Caulfield's Blue Sapphire Stakes meeting on Wednesday. "The Stewards inspected the track today [Friday] with the surface too wet to conduct tomorrow's [Saturday's] meeting following a further 15mm of rain overnight," Racing Victoria announced. "Given the improved forecast over the coming days it is expected the track will dry out and be in a position to safely race on Wednesday." Nominations for the meeting will be reopened

and will close at 10am on Saturday, with all trainers needing to re-nominate for Wednesday's meeting.

Seymour Cup to be run at Kilmore

The Seymour Cup meeting on October 18 will be run at Kilmore, with a return to racing at Seymour delayed again due to track concerns. The following meeting on October 29 has also been moved to Cranbourne. Seymour Racing Club chief executive Penny Reeve said: "The club has been working hard on improving the surface and whilst it is disappointing to have to transfer the next two meetings, especially the Seymour Cup meeting, it is in the best long-term interests of the track. I would like to thank the Kilmore and Cranbourne Racing Clubs for taking on these two meetings and I look forward to watching the running of the Seymour Cup (Listed, 1600m), albeit at a different venue, next Sunday." Further discussions between RV and SRC will be had over the coming weeks to determine the mid to long-term plan for the surface.

Aitken to face protocol charges

Racing Victoria stewards have issued three charges against jockey Mitch Aitken following an inquiry into potential breaches of Racing Victoria's Covid-19 protocols. Aitken is alleged to have committed three separate breaches of the rules, which include taking possession of a saddle held by an apprentice jockey, staying overnight at a friend's house and providing false/misleading evidence when interviewed by stewards. The charges will be heard by the Victorian Racing Tribunal on a date to be fixed.

Hotham won by Brimondo

The Vern Poke-trained Brimondo (Trotamondo) took out the \$75,000 The Hotham (1200m) on Friday night to win her first race at the 45th attempt. The seven-year-old finished last of ten on her last start at Devonport (1350m) and was duly sent off a \$31 chance for The Hotham, but she was able to sit just off the leaders under Alana Kelly and powered over the top of the field to win by one and a half lengths. "The Heavy tracks worried us, but when we heard we were on the synthetic we were confident she'd handle

it well," stable representative Dean Larson told Racing.com. "Vern (Poke) rang me about four months ago and said I might have the horse for the race. He rang me about three weeks ago and said he was definitely going to bring the mare." It was the first start in Victoria for the daughter of Listed-placed Briannon (Night Shift), who saw off Whitsunday (Hinchinbrook) into second, with Nievre (Burgandy) in third.

NEW ZEALAND

First New Zealand winner for Mongolian Khan

Mongolian Khan

WINDSOR PARK STUD

Windsor Park Stud stallion Mongolian Khan (Holy Roman Emperor) recorded his first win in New Zealand as a sire yesterday when Supreme Khan (3 g ex Angelica Hall by Guillotine) won on debut at Phar Lap Raceway. Supreme Khan was purchased out of Windsor Park Stud's 2019 New Zealand Bloodstock Book 1 Yearling Sale draft by Te Akau principal David Ellis for \$160,000 and the three-year-old has been patiently handled by trainer Jamie Richards. Windsor Park's Rodney Schick was delighted with the win, but said there was a fair bit of pressure on him heading into the race. "He was a beautiful yearling and my brother said to me he wanted to buy a yearling that year and I said to buy into him with Te Akau," Schick said. "I said if he was no good I will give up, so I was under a bit of pressure today. Jamie has done an outstanding job with him and he just ticked him along and did the right thing by him." It was Mongolian Khan's third win as a sire and Schick is looking forward to the future with the Group 1 winner's progeny. "He is starting to get a few around him now, so onwards and upwards," he said. Mongolian Khan stands at Windsor Park Stud for \$10,000 (plus GST).

Cambridge Stud's Hello Youmzain retires

Diamond Jubilee Stakes (Gr 1, 6f) winner Hello Youmzain (Kodiak) has been retired to Haras d'Etreham in France and will shuttle to Cambridge Stud next year. Purchased by Haras d'Etreham and Cambridge Stud during the autumn of his three-year-old season, having won the Sprint Cup (Gr 1, 6f) at Haydock last year, he progressed again at four to become one of Europe's leading speedsters. "Hello Youmzain will be an exciting addition to the Cambridge Stud stallion roster and the New Zealand breeding industry next year," Cambridge Stud chief executive Henry Plumptre said. "Through his exploits this year, he has added further significance to the partnership between Haras d'Etreham and Cambridge Stud, which began with Almanzor in 2018. Retiring with a race record that includes two Group 1 races, two Group 1 placings and two Group 2s, Hello Youmzain combines a superb pedigree with outstanding performance. It is indeed encouraging that his sire Kodiak has had a stellar year on the racecourse with his progeny, throwing two Group 1 winners in Hello Youmzain and Campanelle as well as seven individual two-year-old stakes winners. Cambridge Stud and Haras d'Etreham would like to thank Kevin Ryan and his team at Hambleton Lodge, including jockey Kevin Stott, for giving us an amazing highlight in the Diamond Jubilee at Ascot. We look forward to continuing that relationship and the arrival of Hello Youmzain at Cambridge next year."

NZTBA call for Irish National Stud Scholarship applicants

The New Zealand Thoroughbred Breeders' Association (NZTBA) are calling for applicants for next year's Irish National Stud scholarship. The NZTBA are seeking a passionate, motivated individual who would like to travel internationally to further their career in the New Zealand thoroughbred industry. The successful applicant will gain an all-expenses paid scholarship to the internationally renowned Irish National Stud, based in Kildare, and will attend a five-month Diploma of Breeding Course that will commence in January, 2021. The course is mainly of a practical nature and is designed to provide students with

a hands-on approach to every aspect of horse breeding. Candidates must be prepared to travel by January 5, 2021 due to Covid-19 quarantine measures at the National Stud. "All students on the course have to be at the National Stud two weeks prior to the beginning of the course to undergo quarantine before the course starts. That is why it has an earlier start than previous years," NZTBA chief executive Justine Sclater said. This year's scholarship winners Laura McNab and Hannah Airey are now back in New Zealand working at Trelawney Stud, and Sclater said they really enjoyed their experience. "The National Stud looked after them incredibly well and it (Covid-19) didn't affect their course in any way," Sclater said. "They both had nothing but positive things to say about the course." To apply, applicants must include a covering email and attached CV to email: nztba@nzthoroughbred.co.nz

Richards arsenal on track for 1000 Guineas

Jamie Richards has confirmed Miss Aotearoa (Per Incanto) and Cornflower Blue (Savabeel) both remain on track for a tilt at the New Zealand 1000 Guineas (Gr 1, 1600m) at Riccarton on November 14. The pair make up two of the top four runners in betting in early Guineas markets, despite ANZ Bloodstock News Maiden of the Week Cornflower Blue being beaten into fourth behind Matchmaker (Makfi) in last Saturday's Canterbury Belle Stakes (Listed, 1200m). "I think Cornflower Blue just found it a bit firm," Richards said. "A number of runners pulled up pretty scratchy in their action and I don't think we were the only stable to do that. Hopefully we don't run into that sort of firm track again down there through the carnival. She seems to be OK now and she'll head to Ashburton for the Barnswood Farm Stakes on Sunday week and back around a corner and with a little bit of moisture in the track she should be a chance." Impressive last-start Gold Trail Stakes (Gr 3, 1200m) winner Miss Aotearoa will progress to the Guineas through the Soliloquy Stakes (Gr 3, 1400m) at Te Rapa.

Bosson working way into form

Champion jockey Opie Bosson is confident his season can kick into gear when he takes

seven rides at Matamata today. The star hoop has taken longer than he would like to shed the last few kilograms to get him back to racing trim following a winter break, but after 19 rides for three winners from a restricted pool of heavyweight rides thus far this season, Bosson feels like he is getting back to the form that saw him snare 11 Group 1 victories last season, five of which were in Australia. "It's been really hard this year to get the weight off," Bosson said. "I've been hovering around the 63-kilogram mark and to get that final bit off has been a challenge, but we're getting there. I'm just starting to get my eye in now. It's taken a little bit of time but I'm pretty spot on now." Nothing motivates Bosson more than riding good horses and he will link with some promising types on an interesting card at Matamata, including potential New Zealand 2000 Guineas (Gr 1, 1600m) contender Rocket Spade (Fastnet Rock) and Brando (Savabeel), as well as Tavi Mac (Tavistock) in the Matamata Cup (Listed, 1400m).

McBeth after local cup

New Plymouth trainer Gary McBeth is looking forward to lining up his pride and joy Hi I'm Nikkita (He's Remarkable) in the South Taranaki Club Egmont Cup (2100m) at Hawera today. The five-year-old mare finished runner-up in the Road To The Jericho (3210m) at her home track last start and McBeth said if she had found clear racing room she may have booked her ticket across the Tasman for the marathon feature. "The jockey (Hazel Schofer) said they were three strides too late in getting out," McBeth said. "She has come through it well, it hasn't done her any harm at all." McBeth is heading into this weekend quietly confident, but admitted the firmer track is a bit of an unknown for his charge. "She is fit and well, and the only thing that I am concerned about is the track will be quite firm, so we will find out how she goes on a firmer track," he said. "She is a horse that always tries and I think she will run a good race. I am happy with her and she has done everything right, so I am looking forward to a good run from her." Hi I'm Nikkita has drawn the outside in the 16-horse field and will be ridden by Melbourne Cup-winning rider Tony Allan.

HK: O'Sullivan fields Band of six for Sha Tin fixture

Paul O'Sullivan snared his first win this season at Happy Valley's midweek fixture and he is looking to keep the ball rolling tomorrow at Sha Tin with six runners across six of the afternoon's ten races, his largest team of entrants for a single race day this term. "It's a long season, with a decent gate here or there we could have won two or three but that's just Hong Kong," O'Sullivan said. "It's all in front of them - the horses who have been racing have been racing well and if horses are racing well, they're going to win. We have six entered and I'd give every horse on Sunday a chance, we're putting saddles on everything that can certainly get prize-money." The ultra-consistent Band Of Brothers (Sakhee's Secret) headlines O'Sullivan's team in search of his seventh win at his 16th start in the Class 2 Chak On Handicap (1200m), the day's feature. "He's a pleasure to have in the stable, he's a true gentleman and a great campaigner. I thought he ran pretty good down the straight, especially because all of his form has been over 1400 and 1600 metres," the New Zealander said.

Champion two-year-old Pinatubo retires to stud

Darley's Champion two-year-old Pinatubo (Shamardal) has been retired to stand at Dalham Hall in 2021. Unbeaten in six starts as a juvenile, Pinatubo twice won at the highest level at two, including victory in the Dewhurst Stakes (Gr 1, 7f) and a stunning nine-length success in the Vincent O'Brien Stakes (Gr 1, 7f), earning a Racing Post Rating of 128, becoming the highest rated two-year-old of the last 25 years. Pinatubo returned to finish third in the 2000 Guineas (Gr 1, 1m) and claimed a Group 1 win as a three-year-old when taking the Prix Jean Prat (Gr 1, 1400m) as he dropped back to seven furlongs. Out of Listed winner Lava Flow (Dalakhani) Pinatubo is one of two winners for his dam, while further back he is from the family of Invincible Spirit (Green Desert). He retires with a career record of seven wins from

22 for Pride Of Dubai

Newcomer Just Beautiful (2 f ex Astrelle by Makfi) emphatically overturned favourite Daphne May (Mayson) in the fillies' novice auction division two (7f) at Kempton, scooting to a five-length victory for trainer Ivan Furtado to become the 22nd individual first crop winner for Pride Of Dubai (Street Cry). She's A Lion (The Last Lion) was a further half-length away in third. Just Beautiful is the tenth northern hemisphere first crop winner for former reverse shuttler Pride Of Dubai who stands at Coolmore Australia for a fee of \$38,500 (inc GST).

Six for Lawman

Pretty Gorgeous (2 f ex Lady Gorgeous by Compton Place) brought up a sixth individual elite-level winner for Lawman (Invincible Spirit) when taking out the Fillies' Mile (Gr 1, 1m) at Newmarket yesterday. The Joseph O'Brien-trained filly was due to run in France last weekend before the O'Brien's were forced to pull out all their runners due to contaminated feed, but nothing was stopping the 5-2 favourite from winning this contest. Ridden by Shane Crosse, Pretty Gorgeous saw off Indigo Girl (Dubawi) by half a length, Lawman stood at Haras de Grandcamp in France for €10,000 (approx AUD\$16,300) in 2020.

Two for New Bay

Saffron Beach (2 f ex Falling Petals by Raven's Pass) brought up first season sire New Bay's (Dubawi) second individual stakes winner when landing the Oh So Sharp Stakes (Gr 3, 7f) at Newmarket yesterday. Saffron Beach, the 9-4 favourite, kept her unbeaten record intact after

winning her maiden over course and distance last month. The two-year-old defeated Thank You Next (No Nay Never) by half a length, with Shine For You (Siyouni) a further one and a quarter lengths back in third. New Bay stood at Ballylinch Stud in Ireland for €15,000 (approx AUD\$24,500) in 2020.

39 for Siyouni

Zaykava (3 f ex Zarkava by Zamindar) became the third stakes winner for her dam Zarkava (Zamindar) and the 39th individual stakes winner for her sire Siyouni (Pivotal) when taking out yesterday's Prix Charles Laffitte (Listed, 2000m) at Compiègne on what was just her second start. The Alain de Royer-Dupre-trained three-year-old was a two-and-a-half-length winner of her maiden over course and distance in July and again made easy work of her rivals, winning by a length and three-quarters from Galova (Galiway) and Frankel's Magic (Frankel) who were split by a head for second and third respectively. Zaykava's siblings include Group 1 winner Zarak (Dubawi), who stands at the Aga Khan's Haras de Bonneval, as well as Listed winner and Group 1-placed Zarkamiya (Frankel). Siyouni, who is responsible for four Group 1 winners including last weekend's Arc hero Sottsass, also stands at Haras de Bonneval where his fee for 2020 was €100,000 (approx AUD\$163,300).

34 for Authorized

Euchen Glen (7 g ex Jabbara by Kingmambo) won his first stakes race on his 32nd career start to bring up a 34th individual stakes winner for Authorized (Montjeu) when upsetting Logician (Frankel) to take out the Cumberland Lodge Stakes (Gr 3, 1m4f) at York yesterday. The John Gosden-trained Logician, who was unbeaten in six starts heading into this contest, was sent off the 1-3 favourite but tired in the closing stages and finished last of four. 18-1 chance Euchen Glen, who has had a double figure starting price on every start this season, battled hard to defeat Desert Encounter (Halling) by half a length, with Highland Chief (Gleneagles) well beaten in third. Authorized, who won the 2007 Epsom Derby (Gr 1, 1m4f), now stands in Turkey.

76 for Lope De Vega

Lope De Vega (Shamardal) brought up stakes winner 76 after his two-year-old daughter Aunt Pearl (2 f ex Matauri Pearl by Hurricane Run) won the Jessamine Stakes (Gr 2, 8.5f) at Keeneland on Wednesday evening by two and a half lengths from Spanish Loveaffair (Karakontie) with Ingrassia (Medaglia D'Oro) a further two and three-quarter lengths back

in third. Lope De Vega stands at Ballylinch Stud in Ireland for a fee of €100,000 (approx. AU\$163,300).

Winter Power impressive in Cornwallis

The Tim Easterby-trained Winter Power (Bungle Inthejungle) impressively took out the Cornwallis Stakes (Gr 3, 5f) at Newmarket yesterday. The two-year-old filly followed up her Listed success at Ayr last month to take this contest in emphatic fashion under Silvestre de Sousa, defeating the 11-4 favourite Method (Mehmas) by three lengths, with Burning Cash (Strath Burn) a further neck behind in third.

Power's happy at Newmarket

The Andrew Balding-trained Happy Power (Dark Angel) backed up his Supreme Stakes (Gr 3, 7f) win at Goodwood last time out with success in the Challenge Stakes (Gr 2, 7f) at Newmarket yesterday. The four-year-old

gelding was sent off the 7-2 favourite and ran on well to defeat Pogo (Zebedee) by one and a half lengths to bring up another success for King Power Racing and Silvestre de Sousa, with Glorious Journey (Dubawi) a further two and a quarter lengths back in third.

Angel puts up powerful display in Pride

Angel Power (Lope De Vega) followed up her Listed victory in France last month with Group success in Newmarket when landing the Darley Pride Stakes (Gr 3, 1m 2f) for Roger Varian and owners King Power Racing, who had a treble on the day with Winter Power and Happy Power both landing Group races on the card. The consistent three-year-old, who has not been out of the first two in six runs this year, was sent off as favourite and shot clear in the final furlong to win by an impressive two and a half lengths from Anna Nerium (Dubawi), who snatched second on the line by half a length from Virgin Snow (Gleneagles).

Group 2 winner Spanish Whisper to be sold on Gavelhouse Plus

BY NZ RACING DESK

High-class mare Spanish Whisper (Lope De Vega) has been retired from racing and will be offered for unreserved sale via Gavelhouse Plus.

The triple Group 2 winner and Group 1-placed mare is an outcross to Danehill (Danzig) as a daughter of internationally acclaimed sire Lope De Vega (Shamardal) and Cutting Remark (Encosta De Lago), a sister to multiple Group 1 performer Glowlamp.

Bred by New Zealanders Darren Brady and Daniel and Elias Nakhle, Spanish Whisper initially raced from the Byerley Park stable of Peter and Dawn Williams.

Precocious enough to win on debut as a December two-year-old, Spanish Whisper went on to win the Matamata Breeders' Stakes (Gr 2, 1200m) two starts later before rounding off her juvenile season when Group 1-placed behind Sword Of Osman (Savabeel) and Advantage (Fastnet Rock) in the Diamond Stakes (Gr 1, 1200m) at Ellerslie.

The well-bred chestnut would subsequently transfer to the stable of David and Ben Hayes and Tom Dabernig, with her breeders retaining equity in the proven galloper following her sale to Darren Thomas' Seymour Bloodstock.

"One of my best pals, Andrew Seabrook, gave Darren Thomas and the Lindsay Park crew a huge endorsement and without that we probably wouldn't have sold the filly so we sent her to horse heaven in Euroa and we have had a terrific experience," Daniel Nakhle said.

"She only ever raced in stakes races in Australia and in Darren Thomas' lucky Seymour Bloodstock colours we won a couple of Flemington Group 2 races over 1400 metres and gave Written Tycoon's subsequent multiple Group 1-winning sprint star Pippie three kilograms and a real race in the Cockram Stakes.

"Seabrook's sound advice made entrusting

Spanish Whisper

SPORTPIX

his team to market our mare to the world via Gavelhouse Plus an easy decision."

Brady and Nakhle retain Spanish Whisper's dam Cutting Remark, who foaled a Savabeel (Zabeel) filly last week and will return to the Champion Sire this season, while they also celebrated victory on Sunday at Ellerslie with her lightly-raced half-brother Colossal (Foxwedge) breaking his maiden.

Group 1-winning contemporaries that Spanish Whisper defeated in her Australian victories include Invincibella (I Am Invincible), Aloisia (Azamour), Amphitrite (Sebring) and Aristia (Lonhro), while she was only beaten three lengths by Everest contender Classique Legend (Not A Single Doubt) over 1200 metres.

"She has a wonderful international pedigree, being a close relation to the champion Rock Of Gibraltar, and her performances have resulted in us fielding offers for her from all points of the globe," Thomas said.

"She is Danehill-free so ideal for the Southern Hemisphere but interestingly many of the enquiries have come from up North, I didn't realise she's one of seven Group 1 or Group 2-winning daughters of Lope De Vega.

"We've loved racing Spanish Whisper with our new Kiwi mates but now it's time to get to the breeding barn so we thought we would dissolve our racing partnership and let the market decide what she's worth and who to mate her to.

"She has arrived in the Hunter Valley and will be ready for cover next week, we wish the new purchasers well."

The successful association of prominent Kiwi racing identity Daniel Nakhle and Lindsay Park Racing continues this weekend, with Nakhle sure to be glued to his TV screen watching his homebred Karaka graduate Crosshaven (Smart Missile) run in the Caulfield Guineas (Gr 1, 1600m) today.

"He's drawn a bit wide but is in great form and we're hopeful he will acquit himself well," Nakhle said of the last-start Caulfield Guineas Prelude (Gr 3, 1400m) winner.

Bidding on five-year-old Spanish Whisper will commence from 3pm NZ time (1pm AEDT) on Monday, October 12 and run through until 7pm NZ time (5pm AEDT) on Thursday, October 15.

Buyers must **pre-register** to gain bidding approval on Gavelhouse Plus.

Galileo sister to Japan becomes world's most expensive yearling at 3,400,000gns

BY JAMES THOMAS | RACING POST

Coolmore returned to familiar territory on the final day of the Book 1 Yearling Sale at Tattersalls on Thursday as MV Magnier got the better of a dramatic three-way tussle to secure the Galileo (Sadler's Wells) full-sister to Japan and Mogul, Lot 436, at 3,400,000gns (approx. AU\$6,200,000) the highest price paid for a yearling the world over this year.

Auctioneer Edmond Mahony described the chance to buy into one of the best and most active families in the stud book as a "rare opportunity" before he scanned the ring and said: "I don't think I'm out of place in asking for two million."

An opening offer of 500,000gns seemed hopelessly optimistic but, after a rapid-fire series of 50,000gns increases, proceedings rested between the key protagonists. Oliver St Lawrence, who secured the 2,700,000gns (approx. AU\$4,900,000) Kingman (Invincible Spirit) colt for Bahraini interests on day one, was again in position by the rope and was among those to head into seven-figure territory.

Magnier, with Georg von Opel and other members of the Coolmore team, stood just a few paces behind St Lawrence and matched his every increase with a succession of six-figure raises. St Lawrence bid 2,500,000gns, at which point Qatar Racing's David Redvers, standing with Sheikh Fahad and Oisin Murphy, joined in with a 100,000gns increase of his own.

Lot 436: the Galileo filly out of Shastye

LAURA GREEN

Then came a big statement of intent from Magnier when he upped the ante to 3,000,000gns, raising the stakes by 400,000gns in one fell swoop. St Lawrence's race was run but Redvers picked up the baton with another 100,000gns delivered to Tattersalls' Matt Prior, stationed on the bid spotter's podium by the parade ring.

However, when Magnier gave the nod to a bid of 3,400,000gns the Qatar Racing camp had no further response. The filly is, of course, out of Newsells Park Stud's Shastye (Danehill), whose yearling receipts at Tattersalls now total a jaw-dropping 14,200,000gns.

"First of all, Andreas [Jacobs, owner of Newsells Park] and his family have been great supporters of Coolmore for a very long time, so I'm delighted for them to get a good price for a very nice filly," said Magnier, who confirmed his purchase was made in partnership with Von Opel's Westerberg operation.

"We've been very lucky with this family with Japan and Mogul. They were always very good-looking horses, the mare produces great-looking stock and great racehorses. Let's hope that continues and that this is a good filly."

Despite the filly's headline-grabbing price tag, she is not the most expensive of

Shastye's progeny, with that honour belonging to the Group 3-winning Sir Isaac Newton (Galileo), who fetched 3,600,000gns (approx AU\$6,500,000) from Magnier in 2013.

The Danehill (Danzig) mare has now produced five seven-figure yearlings since she joined the Newsells broodmare band at a cost of 625,000gns (approx AU\$1,200,000) in 2005.

Magnier confirmed that Mogul stays in training at four but said it was too early to say whether Japan would join his brother at Ballydoyle next year or retire to stud. "The two of them were supposed to run in the Arc but there's still Hong Kong, the Breeders' Cup and Japan as possible targets," he added of the pair.

Newsells Park's general manager Julian Dollar gave an update on Shastye, saying: "Sadly she was barren to Galileo last year and didn't conceive from two goes this year so we brought her home and she's now in foal to Dubawi. I'm just keeping my fingers crossed we get a few more foals out of her before we have to retire her."

"She looks well and is in great form. She's done more to establish Newsells as a successful commercial stud farm than any other mare. She's kept me and the team here in a job, so we're very grateful to her."

Magnier secures relation to Mohaather

Magnier also had to see off Redvers earlier in the session when he went to 2,800,000gns (approx AU\$5,100,000) for the Galileo filly out of Mohaather's sister Prize Exhibit (Showcasing), Lot 374.

Mahony was also on the rostrum for that lot and took an opening offer of 500,000gns before a sales ring arm wrestle between Magnier, standing in the bidders' area with Von Opel, and Tammy O'Brien, sitting with Demi O'Byrne on the stairs to the right of the rostrum, soon pushed the price into seven-figure territory.

When Magnier bid 1,900,000gns it seemed as though he had done enough to seal the deal, but no sooner had he seen off the rivals on the opposite side of the Park Paddocks auditorium than bid spotter Richard Botterill, standing on the podium by the parade ring, called out with a play of 2,000,000gns.

A string of 100,000gns raises were exchanged, but cracks began to appear in Redvers' challenge when he changed tack with a 50,000gns increase to 2,750,000gns. After a brief discussion with Von Opel, Magnier gave a final nod of the head to signal a 50,000gns bid of his own.

Mahony looked towards the podium and said to the bid spotter: "How are you doing outside, Richard?"

But, as the elegant filly continued to make her way around the ring in near silence, it

became clear matters had reached a conclusion and the gavel duly came down.

"She's a very nice filly, Aidan [O'Brien] and all the lads really liked her," said Magnier after signing the seven-figure ticket. "David Nagle [Barronstown Stud] has been saying how good a filly she is for a very long time and we're just very lucky to be able to buy her with Michael [Tabor], Derrick [Smith] and Georg."

The filly was bred and offered by David and Diane Nagle's Barronstown Stud and is the first foal out of Prize Exhibit, a daughter of Showcasing (Oasis Dream) who won a brace of Grade 2 contests in the US. The mare joined the Barronstown broodmare band at a cost of 775,000gns (approx. AU\$1,450,000) at Tattersalls in 2017.

The pedigree of Prize Exhibit, who was bred by Gaie Johnson Houghton, has undergone a major upgrade this year as she is a sister to none other than Mohaather, the winner of this year's Sussex Stakes (Gr 1, 1m). The Shadwell-owned colt is set to begin his stallion career at Nunnery Stud next year. The pair are also siblings to Roodle (Xaar), dam of Accidental Agent (Delegator).

"She has a great page and comes from a very good nursery," added Magnier. "Sheikh Hamdan's horse is very good so it's a very active pedigree. Those kinds of fillies are collectors' items. With how Galileo is doing as a broodmare sire and with his racehorses, he's just exceptional."

Huge result for Gigginstown House Stud as Kingman filly fetches 1,450,000gns

Gigginstown House Stud is a name more closely associated with success at Aintree and Cheltenham but Michael O'Leary's operation made an almighty impact at Book 1 on Thursday having bred the Kingman filly out of Sante (Dream Ahead), Lot 416, who became the session's second seven-figure lot at 1,450,000gns (approx. AU\$2,700,000).

There was a protracted three-way bidding battle for the well-related filly, with Anthony Stroud, acting for Godolphin, getting the better of Tammy O'Brien, sat with Demi O'Byrne, and the Coolmore team.

The filly, consigned by O'Leary's brother Eddie of Lynn Lodge Stud, is the first foal out of Sante, a winning daughter of Dream Ahead (Diktat) who was third in a Baden-Baden Listed contest for trainer Jean-Pierre Carvalho.

She joined the Gigginstown broodmare band having been signed for by Mags O'Toole at 310,000gns at the 2018 Tattersalls December Sales, carrying the Kingman filly in utero.

Sante is one of six black-type performers out of Knocktoran Stud's remarkable producer Zeiting (Zieten), whose brood includes the Group 2-winning Combat Zone (Refuse To Bend) and Group 3 scorers Royal Empire (Teofilo) and Scottish (Teofilo). Zeiting also bred Zut Alors (Pivotal), dam of Poule d'Essai des Pouliches (Gr 1, 1600m) heroine Precieuse (Pivotal), and Bikini Babe (Montjeu), dam of Godolphin's unbeaten Group 3 winner La Barrosa (Lope De Vega).

"It was the physical and that great pedigree," said a delighted Eddie O'Leary when asked what had appealed about Sante. "Those two things and the Kingman cover was what we wanted."

"This filly has been a star since the day she was born. She was always a queen and made a queen's price. The mare has a Kodiak colt foal and is in foal to Invincible Spirit. I hope she's very lucky for Sheikh Mohammed."

Earlier in the session Godolphin went to 800,000gns (approx. AU\$1,500,000) for the Dubawi colt out of Provenance (Galileo) offered by Cheveley Park Stud as Lot 376. The youngster is bred on the same cross as

Lot 374: the Galileo filly out of Prize Exhibit

LAURA GREEN

Ghaiyyath (Dubawi), as his dam is a daughter of Galileo and the Group 1-winning Echelon (Danehill).

"He's a smashing horse, one of the best I've ever brought here as a physical," said Cheveley Park's managing director Chris Richardson. "He ticked all the boxes and I'm delighted Sheikh Mohammed managed to secure him.

"It's nice that Mr and Mrs Thompson [Cheveley Park Stud owners] have been rewarded; we'd have loved to have raced him but the policy is to offer the colts. It's a foundation family for the Thompsons and one that keeps evolving.

Provenance's first foal, the Dutch Art (Medicean) gelding Cruyff Turn, did his bit to upgrade the pedigree by shedding his maiden tag in a Redcar maiden last month.

Mike Ryan lands Dream Of Dreams sibling

US-based agent Mike Ryan was also among the most prolific purchasers across the three-day auction and saved his biggest involvement for late in the final session, going to 1,400,000gns (approx. AU\$2,600,000) for the

Mike Ryan

LAURA GREEN

Galileo half-sister to Dream Of Dreams (Dream Ahead) offered as Lot 510 by Old Mill Stud.

"She's an exceptional filly by an exceptional sire and out of a terrific family," said Ryan from his position on the back stairs. "She was absolutely gorgeous and looks like a runner.

"I knew she was going to be expensive, you know what it takes to buy Galileos, but I'm delighted we got her as I waited all day. How many more years are we going to be seeing Galileo's progeny? He's the greatest sire of my lifetime, and probably anyone's lifetime for that matter.

"She'll go back to the States, have some time out and we'll then break her in. She'll be on a flight to Florida in ten days' time."

The filly is out of Vasilisa (Dansili) and boasted a Group 1 update to her pedigree after Dream Of Dreams won the Haydock Sprint Cup (Gr 1, 6f) last month. She was bred by Vefa Ibrahim Araci after Rob Speers secured the dam for 160,000gns (approx. AU\$300,000) in 2015.

The daughter of Dansili is a sibling to the high-class Airwave (Air Express), granddam of Churchill (Galileo), and Jwala (Oasis Dream), and has bred five winners herself.

Ryan, who spent 4,340,000gns on 16 yearlings across the entirety of Book 1, added: "I've been runner-up to Shadwell, Godolphin and Roger Varian, we've run hard on some horses and we've bought some very nice yearlings."

Change of fortune for Redvers

Having underbid the two priciest lots, Qatar Racing's David Redvers eventually got

Sheikh Fahad

LAURA GREEN

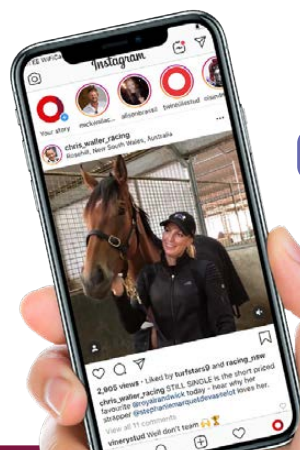

on the scoresheet when giving 825,000gns (approx. AU\$1,500,000) for the Lope De Vega (Shamardal) colt out of Starlet (Sea The Stars) offered as Lot 460 by Highclere Stud.

Bred by the Earl of Halifax, the colt is a half-brother to the Group 3 scorer Love Locket (No Nay Never) and the Listed-winning Raakib Alhawa (Kingman).

Starlet raced in the colours of the late Marguerite Weld and the mare's early progeny were bred by the Weld family's Springbank Way Stud, but the daughter of Sea The Stars (Cape Cross) was bought through John and Jake Warren for 160,000gns (approx. AU\$300,000) in 2017.

"This colt has a stallion's pedigree and the mare has a 100 per cent record of breeding stakes horses, so he's exactly the sort of thing we're looking to add to the team," said Redvers.

"We've a lot of homebreds going into training this year and we've been trying to add to the broodmare band too. It's been a frustrating day but full credit to Tattersalls for putting on a show and the market for being as resilient as it is for the top-end stock."

Frankel half-brother to Marsha sold to Juddmonte in private deal for 850,000gns

Elite Racing Club's Frankel (Galileo) half-brother to champion sprinter Marsha (Acclamation) has been sold to Juddmonte Farms for 850,000gns (approx. AU\$1,600,000) after being bought back as Lot 295 for 1,000,000gns at Park Paddocks on Wednesday.

The final foal out of the wonderful producer Marlinka (Marju), who sadly died in March after a bout of colic, the son of Banstead Manor Stud resident Frankel went unsold in the ring after bidding finalised at the one million reserve mark.

Elite Racing's Dan Downey confirmed the sale to Juddmonte, and said on Thursday: "We obviously really liked him but it's a strange time to be selling yearlings and we had to think long and hard as to what he was worth.

"We spoke to Juddmonte this morning and made the decision. They loved the colt and I wasn't surprised to see them back a few times. They're a great company to deal with and we're delighted he's going there."

The Furnace Mill Stud-consigned colt comes from a prominent family, being a half-brother to classy sprinter Judicial, winner of the Group 3 Coral Charge and Chipchase Stakes, as well as champion mare Soviet Song, the winner of nine races including the Falmouth, Sussex Stakes and Fillies' Mile in a brilliant career.

The Elite Racing Club-bred Marsha was

sold for 6,000,000gns (approx. AU\$10,900,000) to MV Magnier at the 2017 Tattersalls December Mares Sale, becoming the highest-priced horse sold at a European auction in the process. The top-class daughter of Acclamation (Royal Applause), winner of the Nunthorpe Stakes (Gr 1, 5f) and Prix de l'Abbaye (Gr 1, 1000m) for Sir Mark Prescott, produced her first foal, by Coolmore's perennial champion sire Galileo, earlier this year.

Godolphin were the sale's leading buyers with 16,430,000gns spent

There were challenges and triumphs at this year's sale, with both soaring highs at the top of the market as well as more sobering realities further down the pecking order.

On the upside, the three-day auction supplied the year's most expensive yearling in the shape of the Galileo filly out of Shastye and on the flip side, key market metrics showed year-on-year declines that reflect the downturn seen not only across the bloodstock industry but the wider financial landscape.

The three-day auction generated a clearance rate of 79 per cent as 369 of 466 offered yearlings found a buyer. The same metric was 82 per cent 12 months ago. Turnover was down by 20 per cent year-on-year at 82,385,000gns, while the average and median price both fell by 13 per cent, the former to 223,265gns and the latter to 130,000gns.

Godolphin was by some way the most active buyer, with Sheikh Mohammed's operation securing 22 lots for a total spend of 16,430,000gns - a figure that amounts to 20 per cent of whole-sale turnover. Coolmore's MV Magnier also made a sizeable impact with his 14 purchases, among which were the top two lots, costing 9,780,000gns. Newsells Park Stud, breeder of the 3,400,000gns top lot, was the leading consignor by aggregate sales, with their 15 sold lots generating receipts of 6,942,000gns.

At the conclusion of trade, Tattersalls chairman Edmond Mahony said: "First and foremost we would like to express our sincere thanks to everyone who has participated at Book 1 of this year's Tattersalls October Yearling Sale, in whatever capacity.

"Since the early part of this year every walk of life has been thrown into turmoil and the global bloodstock industry is no exception. The scale of the disruption which everyone has faced is best illustrated by the fact that this week's sale has been the first 2020 British, Irish or French yearling sale to have taken place at both its originally intended location and date.

"Nevertheless, since the outbreak of the Covid-19 pandemic we have worked collaboratively alongside Goffs and Arqana to explore every possible means by which to stage sales and to ensure that trade continues to take place as normally as possible.

"Everyone must take enormous credit for the way they have reacted to the difficult circumstances and responded to all the rules and regulations under which we have had to operate in order to provide the safest possible working environment for all concerned.

"In terms of the market, none of us can pretend that all is plain sailing and a slightly lower clearance rate reflects prevailing commercial realities from which none of us are immune, but we can also reflect on a resilience and sustained demand for quality yearlings in spite of the wider challenges.

"Book 1 of the 2020 Tattersalls October Yearling Sale has yet again produced the highest price for a yearling sold in Europe and North America, as well as the highest-priced yearling filly in the world and three of the ten highest prices ever at this fixture.

"Inevitably the market is down, in broad

Elite Racing Club's Frankel half-brother to Marsha and Judicial

LAURA GREEN

terms to around the levels of 2015 after a sustained period of growth, but the global appetite for our sport remains intact and buyers from throughout the world, albeit in reduced numbers, have made a huge contribution to Book 1 of the October Yearling Sale, as have the British and Irish buyers who continue to recognise this particular yearling sale as the key fixture in the European yearling sales calendar.

"Success-fuelled demand from American and Australian buyers has been very evident from start to finish and the support and commitment from throughout the Gulf region, in particular Dubai, Bahrain and Saudi Arabia, continues to be hugely influential and massively appreciated by the whole industry."

He continued: "The significance of the lucrative October Book 1 Bonus, arguably greater than ever, has also been a feature of the sale and having distributed almost £5.5 million in bonus prize-money to date, it has been rewarding to see so many owners, trainers and

syndicates actively pursuing future bonus winners.

"Opportunities to win significant prize-money have never been more crucial and the importance of incentives such as the £20,000 Book 1 Bonus, as well as the Great British Bonus, should not be underestimated in the current climate.

"Equally significant has been the outstanding quality of the yearlings on offer this week. This was without doubt the cream of the European yearling crop; a true showcase for so many of the best yearlings to be found anywhere in the world and we must pay tribute to the breeders and consignors.

"The market may not fully reflect the

Highclere's Dubawi colt out of Group 1 winner Intricately

quality of the horses at Park Paddocks this week, but everybody should be applauded for what they have achieved in the face of extraordinary challenges and we will now turn our attention to Books 2, 3 and 4 of the October Yearling Sale, which are catalogues with all the ingredients to appeal to buyers at all levels of the market."

BETTING FORECAST: 3 Dakota Gold, 100-30 The Tin Man, 5 Summerghand, 11-2 Brando, 13-2 Brad The Brief, 10 Kurious, 12 Stormy Girl, 16 Hareem Queen.

VERDICT Usually run at Ascot. **DAKOTA GOLD** has a fantastic record at York and this four-time course winner could prove tough to catch. Perhaps **Kurious** will be the main threat now back down in grade and back up in trip, while **Brad The Brief** and **The Tin Man** could also be involved. Four-time Group-race winner **Brando** could do with breaking more alertly than of late. [Ben Hutton]

VERDICT An even split between the sexes, with four fillies taking on four colts. The latter group has the edge on form and promising staying type **KYPRIOS** is first choice, with confidence strengthened if the ground stays testing. Second choice **Lone Eagle** is taken to reverse Sandown placings with **Recovery Run** who nevertheless warrants respect. **Fabilis** is improving, while **Roseabad** looks best of the fillies.
